

UI/UX Design Specification

Project: PT Mahaga Widya Cita Corporate Website & Portal

1. Brand Identity

- **Logo:** High Definition (1000x1000px), Transparent PNG.
- **Primary Color:** Deep Blue (#1E6FD9) - Represents trust, intelligence, and professionalism.
- **Secondary Colors:**
 - Indigo/Purple for gradients (#6366f1)
 - Accent Gold/Yellow (#F59E0B) for highlights.
- **Typography:** 'Plus Jakarta Sans' (Primary font for headings and body). Clean, modern, and highly legible.

2. Design Principles

- **Glassmorphism:** Use of translucent backgrounds with background-blur for navbar and cards.
- **Micro-interactions:** Buttons and cards should scale up slightly on hover (scale-105) with smooth transitions (duration-300).
- **Whitespace:** Ample padding and margins to create a breathable, premium feel.

3. Responsive Breakpoints

- Mobile: < 768px (Stack layouts, hamburger menu)
- Tablet: 768px – 1024px
- Desktop: > 1024px (Full grid layouts, expansive hero sections)
